Factory

Devoll Group was founded in 1990, at that time it was called Devoll Commerce. Devoll Group has become one of the main companies of economic development in the Republic of Kosovo. After 30 years of business experience Devoll Group is ready to face the technological, economic and ecological challenges of the future. More than that, thanks to modern technology, its management, and our strategy.

Company Overview

BOLD Import Export Corp is a U.S.-based, independently operating import-export company focusing exclusively on food and beverage. We are committed to bringing innovative international brands with the American market through long-term, strategic partnerships.

Mission & Vision

Each bottle of FAVE is designed to bring color, energy, and authenticity into your day. We're all about celebrating real moments — the quick breaks, the long talks, the laughter, and everything in between. With its bold flavors and vibrant look, FAVE inspires you to live with confidence, stay refreshed, and always choose what feels good.

Global Market Presence

FAVE is already a leading beverage in several countries around the globe.

European Union

Over 200 million units sold annually.

United Kingdom

Sold in select retail and e-commerce channels
